Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Monday 04 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Remaining cold with possible showers to start the week off.

Today:
Generally cloudy with showers possible throughout the day. Western parts of the region will see the best of any sunshine. Windy, particularly along coasts and feeling cold overall. Maximum temperature 5 deg C (41 deg F).

Tonight:
Clouds will break, allowing for some clear spells, but there is still a chance of the odd shower. Feeling colder than of late. Windy, particularly along the coasts. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Dry for most with some sunny spells though also the odd shower. Winds will ease into the night and it will feel rather cold. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:
Dry and cloudy for many on Wednesday. Possible freezing fog on Thursday and with rain during the evening. Friday will be largely dry and cloudy. Feeling cold throughout.
